For immediate release....

Newfoundland & Labrador Federation of Labour President Reg Anstey welcomes the NDP victory in the riding of Signal Hill-Quidi Vidi. Said Anstey “Lorraine Michael’s victory shows that the voters in the riding of St. John’s Quidi Vidi believe that the leader of the NDP will make a significant contribution in representing the concerns of every day Newfoundlanders and Labradorians. This victory also confirms that the NDP is here to stay and is truly the real opposition in Newfoundland and Labrador.”

Anstey added “Good government requires good opposition which the NDP has always provided and with Lorraine Michael’s leadership will continue to grow in the upcoming election producing even more seats in the House of Assembly.”
